STROMBOLI

Leonetti's original Italian Stromboli, Calzone's, Bagel Dogs and Venetian hand-rolled Pizza's are entirely hand crafted. Our very special secret dough, the same we've been making for over 33 years, is baked daily then stuffed and rolled by hand with only the freshest and best quality of ingredients.

We fully bake each product and then freeze all the goodness in, allowing you to simply reheat for perfect results every time. We even pack each one in a special sealed Mylar bag which serves as a Dutch oven for easy and clean preparation - whether at home or in a commercial oven. There is nothing that compares to Leonetti's Stromboli, Calzones, Bagel Dogs and Venetian hand- Rolled Pizza's. They are absolutely the best you ever tasted... We guarantee it!

Our Philly Cheesesteak sandwiches are authentic as their Philadelphia roots. Each is packed with only the best and freshest ingredients and easy to prepare by simply re-heating. Over 30 years of consumers can attest to how good they are. Enjoy!
